

Complete Sets

Wilson® Prostaff® complete sets continue as the best-selling men's and women's sets in history. The completely re-designed Prostaff features deep center-of-gravity designs in men's, women's and the new teen model.

Prostaff® - Men's Set

- Woods 1-3-5
- Hybrids 3 and 4
- Irons 5-6-7-8-9-PW

Woods

- Maximum headsize and large swept back foot print raises the club's MOI for greater accuracy
- Crushed crown lowers the center of gravity for longer drives and better trajectory
- Cold Forged Titanium Matrix Driver and Fairway woods

Hybrids

- True game improvement technology revolution – hybrids are much easier to hit than long irons
- Wood style hybrids align easily to the target and perform well in a wide variety of lies and course conditions

Irons

- Extreme undercut cavity achieves a deep center-of-gravity to launch the ball straight down the fairway
- Precision 431 stainless steel iron heads with easy alignment topline and sole

Shafts and Grips

- Woods and hybrids feature graphite shafts with reinforced stability tip
- Irons feature True Temper steel shaft – the industry standard
- Soft and durable all weather grips provide great feedback and improved feel

Prostaff® - Women's Set

- Woods 1-3-5-7
- Hybrid 5
- Irons 6-7-8-9-PW-SW

Woods

- Women's 14 degree loft and large swept back foot print raises the club's MOI for greater accuracy
- Crushed crown lowers the center of gravity for longer drives and better trajectory
- Cold Forged Titanium Matrix Driver and Fairway woods

Hybrid

- Much easier to hit than long irons
- Wood-style hybrids align easily to the target and perform well in a wide variety of lies and course conditions

Irons

- Extreme undercut cavity achieves a deep center of gravity to launch the ball straight down the fairway
- Precision 431 stainless steel iron heads with easy alignment topline and sole

Shafts and grips

- Entire set features lightweight graphite shafts with reinforced stability tip
- Designed specially for women's flex and length characteristics
- Soft and durable all-weather grips provide great feedback and improved feel

Prostaff® - Teen Set

- Club lengths are between junior and adult standards
- Woods 1-3-5
- Hybrids 3 and 4
- Irons 5-6-7-8-9-PW

Woods

- Maximum headsize and large swept back foot print raises the club's MOI for greater accuracy
- Crushed crown lowers head's center of gravity for longer drives and better trajectory
- Cold Forged Titanium Matrix Driver and Fairway woods

Hybrids

- Much easier to hit than long irons
- Wood-style hybrids align easily to the target and performs well in a wide variety of lies and course conditions

Irons

- Extreme undercut cavity achieves a deep center of gravity-to-launch the ball straight down the fairway
