

# Junior Package Sets

Wilson® Profile™ Jr. sets deliver three unique size options, including a new “tweener” set that is larger than traditional junior sets. This authentic, aggressive style appeals to the junior eye. New Hope Girl delivers this same playability with a softer design.

## Profile™ Junior Black

Designed for the golfer, ages 10-13, who needs longer, flexible shafts to get the ball airborne fast.

- Junior oversized driver
- Easy-to-hit offset hybrid
- Perimeter weighted long iron
- Perimeter weighted short iron
- Blade style wedge
- Alignment putter
- Stand bag with dual shoulder straps
- Two matching head covers

## Profile™ Junior Silver

Designed for the younger golfer, ages 8-11, who needs medium length and very flexible shafts to get the ball airborne quickly and fly farther.

- Junior oversized driver
- Easy-to-hit offset hybrid
- Perimeter weighted long iron
- Perimeter weighted short iron
- Blade style wedge
- Alignment putter
- Stand bag with dual shoulder straps
- Two matching head covers

## Profile™ Junior Red

Designed for the beginning golfer, ages 6-9, who needs easy to swing, easy to hit irons and woods.

- Junior oversized driver
- Easy-to-hit offset hybrid
- Perimeter weighted long iron
- Perimeter weighted short iron
- Blade style wedge
- Alignment putter
- Stand bag with dual shoulder straps
- Two matching head covers

## Profile™ Jr. Sizing Chart

Custom fitting is essential when choosing the proper golf equipment. For easy in-store fitting, stand a child next to a Profile Jr. box. Select the proper set based on where the hand falls.

## Hope® Girl Set

Hope Girl clubs were designed specifically for a girl's youthful swing, providing a rewarding experience for players beginning a sport they will enjoy for a lifetime.

- Junior oversized driver
- Perimeter weighted iron
- Blade style wedge
- Alignment putter
- Stand bag with dual shoulder straps
- Matching head cover
