

# Padraig's 1st. Wilson's 59th.

Padraig Harrington and Wilson Staff  
2007 Open Champions

Padraig's first major is the  
59th won with Wilson irons,  
more than any other iron in history.

How many were won with *your* irons?

*Padraig earned his first major by taming  
Carnoustie with his Wilson Staff equipment  
(driver, fairway woods, hybrids, irons, wedges).*

*He is the first European to win the  
Open Championship since 1999.  
When it was won with Wilson irons.*

*At Carnoustie.  
How cool is that?*

*Congratulations Padraig,  
on the first of many.*
